Forecast for Monday 26 Aug 2024

Weather: Early patches of low cloud and some early rain soon clearing into the morning to leave a dry and bright bank holiday Monday, with sunny spells and a freshening south-westerly breeze.

Chance of cloud-free hill tops above 600m: 40%, becoming 95%.

Low cloud and visibility: Patches of low cloud to start, bases down to 400-500m in places, with the odd spells of light rain and drizzle giving locally poor visibilities. Cloud soon lifting above the summits into the morning however as temperatures rise and visibility into the day should be very good, with clear views of distant hills and peaks.

**Level above which ground is expected to be frozen/snow is expected to settle.*

Meteorologist's View

Feeling cool on the higher peaks in the wind, despite this some moderate or perhaps high UV levels are likely in afternoon sunny spells.

Recent rainfall: measured at Neuadd: altitude 353m

02:00 on Mon 26 Aug 2024	6.2mm	11.6mm	21.4mm

Forecast for Tuesday 27 Aug 2024

Weather: Dry with clear spells overnight, although some patchy low cloud and mist is likely to develop during the early hours of Tuesday morning, which should soon clear after dawn. Largely dry with bright spells during the day, although the chance of rain breaking out increase into the afternoon, with some uncertainty with regards to the timing and movement of a band of cloud and rain arriving from the west later in the day. Breezy.

Maximum wind: South to southwesterly 25-30mph, gusting 35-40mph on the summits.

Chance of cloud-free hill tops 600m: 60% early in the day, becoming 90%.

Low cloud and visibility: Patchy low cloud at first, with bases down to 200-400m, otherwise, lifting above the summits by mid-morning. Visibility will be poor or very poor in low cloud and mist early morning, becoming generally very good in the afternoon, with decent views of distant hills and peaks.

Temperature: **Valleys:** Plus 13 Celsius, becoming Plus 19 Celsius.
At 600m: Plus 9 Celsius, becoming Plus 13 Celsius.
Freezing level: Above the summits.
